

Challenges for Quality Assurance Organisations: the case of NVAO

Sigtuna, 8 October 2009

Fred Mulder

Policy Issue 1

Integration of e-learning criteria in the national quality assurance system

NVAO:

Open Assessment Framework

Policy Issue 2

Intelligence and competence within the organisation

NVAO:

Enabling the organisation to validate expert panels' assessments

Policy Issue 3

Cross-boundary education changes the conditions for quality assurance

NVAO:

Mutual recognition of accreditation decisions

Policy Issue 4

Methodological development

NVAO:

Yes, but crucial: selection of experts
