

Lessons from the day

Barcelona, 28 September 2009

Tibor Szanto
Vice-President, ENQA

European dimension

- Sharing information and good practice, networking

- Agreeing on principles and values

- Harmonisation of methodologies (procedures)

- Unified European QA system?
(“more transparent” = centrally steered?!)

The way forward

Organic development > false (forced) free market

TRUST

ENQA:

- maintaining the policy role
 - hard and systematic work (Action Plan!)
 - home for QA community
-

Action Plan (AP) - structure

Priority X

1. Intended result(s)
2. Way(s) of achieving (methods)
3. Person(s) / organisation(s) responsible
4. Person(s) / organisation(s) involved
5. Available info, experience
6. Time span (starting and finishing dates)
