Entrance to the venue

Arrival and transport

Participants are kindly requested to make their own international and local travel arrangements.

Getting to Vienna

The [Vienna International Airport](#) is located about 24 kilometers away from the event venue. There are various ways to travel into Vienna from the airport. The fastest way is by taking the City Airport Train (CAT) which goes directly to Central Station in 16 minutes, with departures every 30 minutes. Some travelers using the CAT can already drop off their bags and check in for their flight at Central Station before boarding the train. Prices are €11 for one-way and €19 for a return trip via the train when purchased online or €12 and €21 when purchased at a ticketing machine. A transfer to the metro U3 to the stop Herrengasse is needed for those traveling to the venue directly, and an additional €2.40 is charged for combination with metro tickets. For more information on the CAT, go here: <https://www.cityairporttrain.com/en/home>

There are also a few Vienna Airport bus lines into various parts of the city. Single trips are €8 and return trips are €13. For more information about a line that could be useful for you, go here: <https://www.viennaairportlines.at/en/>

Taxis are also provided at the airport for those wishing to take a taxi into the city. They are located right outside the arrival hall and are accessible with the exit immediately to the right. Official taxis from the airport accept most major credit cards, so be sure to follow official signs at the airport. More information about recommended airport taxi services and their phone numbers can be found here: https://www.viennaairport.com/en/passengers/arrival_parking/taxis_limousines

Moving around the city

Vienna has a thorough public transportation system with buses and metro lines. Tickets are €2.40 for single journeys. More information on public transportation can be found here: <https://www.wienerlinien.at/eportal3/ep/tab.do?tabId=0>
