## **ANACEC's Official Application**

### **I. Applicant's motivation for seeking ENQA affiliation**

**I.1: Please state the strategic reasons why your organisation wishes to establish a formal relationship with ENQA.**

International cooperation is one of the Agency's priorities, and ENQA's membership will strengthen ANACEC's legitimacy as an external QA agency in the EHEA. It is essential for us to keep up-to-date with quality assurance developments in Europe. Affiliate membership of ENQA would allow us to follow the European discussions about quality assurance more closely and establish links with relevant quality assurance agencies in Europe. The association with ENQA has allowed over time the connection and involvement in activities for the development and promotion of the quality culture at the European level, the initiation of new partnerships and areas of joint activity with similar Agencies from the signatory states of the Bologna Process.
