Subject: ANQA follow-up report to the 2022 ENQA review

Dear Ruben,

At its meeting on 13 September 2024, the Board of ENQA considered the follow-up report arising from the external review of the National Centre for Professional Education Quality Assurance Foundation (ANQA) in 2022.

The Board wishes to thank the agency for a comprehensive update on the ongoing reforms and initiatives in Armenia and notes the agency's proactive approach in addressing the panel's recommendations. In this regard, the Board especially notes the solution to involving the international experts in the agency's governance through the Advisory Group, the extensive work on thematic analysis, and the initial steps taken toward establishing a formal complaints procedure. With this, the Board approves the report, takes note of the progress that has been made, and looks forward to the upcoming progress visit.

We look forward to continuing the good cooperation between ENQA and ANQA.

Yours sincerely,
