Dear Ms Tamar Makharashvili,

At its meeting on 21 April 2021, the Board of ENQA considered the follow-up report arising from the external review of the National Center for Educational Quality Enhancement (NCEQE) in 2018.

The Board approves the report and takes note of the progress that has been made. At the same time, the Board urges the agency to engage with the Council on a more frequent basis and enable this body to discharge its responsibilities effectively.

Yours sincerely,
