**Subject: RCVS follow-up report to the 2018 ENQA review**

Dear Dr Mandisa Greene,

At its meeting on 10 December 2020, the Board of ENQA considered the follow-up report arising from the external review of the Royal College of Veterinary Surgeons (RCVS) in 2018.

The Board approves the report and takes note of the progress that has been made. At the same time, the Board would like to emphasise the need to pay further attention to the standard 2.1, where the Board notes that peer learning with the ENQA community on the interlinkage between internal quality assurance and external quality assurance should be strengthened. Moreover, regarding 3.6 Internal quality assurance and professional conduct, the Board calls for further support for stakeholder involvement to facilitate development of quality culture at the agency.

Yours sincerely,
