

## ENQA Reviewers' Seminar on Targeted Reviews

Thursday 9 December 2021, 10.00-12.00 CET

Online

### Programme

#### Aims and objectives

The aim of the event is to provide the experts with information on the targeted reviews methodology, including the scope of the review, different steps of the process, experts' roles and responsibilities, as well as open the floor for discussion and questions.

This seminar is organised by ENQA exclusively to all trained reviewers in the ENQA Pool of Experts. The seminar is recorded, and the recording will be made available to the trained experts.
