Subject: CTI follow-up report to the 2018 ENQA review

Dear Ms Marie-Jo Goedert,

At its meeting on 13 and 14 September 2021, the Board of ENQA considered the follow-up report arising from the external review of the Commission des Titres d'Ingénieur (CTI) in 2018.

The Board approves the report and takes note of the progress that has been made. Apart from systematically addressing the panel's recommendations, the Board praises the agency for considering means to sustain the development of quality culture in the evaluated higher education institutions. Furthermore, the Board asks the agency to ensure that the newly developed external quality assurance activity follows the ESG. Last, but not least, the Board welcomes the agency's commitment to engage in a progress visit later this year.

Yours sincerely,
