Subject: FINEEC follow-up report to the 2021 ENQA review

Dear Harri,

At its meeting on 17 April 2024, the Board of ENQA considered the follow-up report arising from the external review of the Finnish Education Evaluation Centre (FINEEC) in 2021.

We appreciate the clear information presented about how FINEEC has addressed the panel's recommendations, especially regarding the agency's possible new activities, consideration of the international stakeholders in a format of an advisory board, and the agency's approach to establishing a formal complaints procedure. With this, the Board approves the report and takes note of the progress that has been made.

We look forward to continuing the good cooperation between ENQA and FINEEC.

Yours sincerely,
