Subject: QQI follow-up report to the 2019 ENQA review

Dear Pdraig,

At its meeting on 13 and 14 September 2021, the Board of ENQA considered the follow-up report arising from the external review of the Quality and Qualifications Ireland (QQI) in 2019.

Initially, the Board wishes to voice their appreciation on an elaborate update on recent developments within the agency. Following this, the Board approves the report and takes note of the progress that has been made on both areas of recommendations. In relation to ESG 2.3, the Board praises the agency for committing considerable resources to perform analytical work (i.e., thematic analyses of the reengagement process) to further develop the related external QA activities. Last, but not least, the Board welcomes the agency's commitment to engage in a progress visit later this year.

Yours sincerely,
