Subject: VLUHR-QA follow-up report to the 2019 ENQA review

Dear Dr. Petter Aaslestad,

At its meeting on 20 October 2021, the Board of ENQA considered the follow-up report arising from the external review of the Flemish Higher Education Council - Quality Assurance (VLUHR QA) in 2019.

The Board approves the report and takes note of the progress that has been made. The Board would like to use this opportunity to especially acknowledge the agency's efforts in implementing the recommendations in a timely manner, following the change of the Flemish Quality Assurance Framework in September 2019. Moreover, the Board praises the agency for carefully considering the recommendations related to the ESG 2.1, 2.3 and 3.1. Last, but not least, the Board welcomes the agency's commitment to engage in a progress visit later this year.

Yours sincerely,
