**Subject: follow-up report to the 2017 ENQA review**

Dear Martí,

At its meeting on 19 September 2019, the Board of ENQA considered the follow-up report arising from the external review of the Catalan University Quality Assurance Agency (AQU Catalunya) in 2017.

The Board approves the report and takes note of the progress that has been made. At the same time, the Board minutes that several recommendations have not been addressed in the action plan and therefore advises the agency to continue with its efforts.

Yours sincerely,

Christoph Grolimund  
President
