Subject: KAA's membership in ENQA

Dear Mr. Samadraxha,

With this letter, I am informing you about the outcomes of the ENQA General Assembly meeting on 19 April 2018 in Zaragoza, Spain concerning KAA's membership in ENQA:

At the meeting, the General Assembly was informed about the concerns that were raised due to the decision of the Ministry of Education, Science and Technology of Kosovo to dismiss all members of the State Council of Quality and the Acting Director of KAA in 2017 (as explained in our letter to you dated 26 February 2018). The General Assembly then heard an oral response from your side on this matter and comments from the floor were raised. Thereafter, the General Assembly voted on the ENQA Board's proposal to assign KAA "Member under review" until the next full external review of KAA expected in 2019.

The results of the vote were as follows:

Total number of valid ballots	Blank ballots	Number of votes in agreement with the Board's proposal	Number of votes in disagreement with the Board's proposal
43	3	40	0

In conclusion, KAA was assigned "Member under review" until the next review in 2019. If the ENQA Board considers that KAA fails to demonstrate substantial compliance with the ESG following the review, the agency's membership in ENQA will be terminated.

If you have any questions, do not hesitate to contact the ENQA Secretariat.

I also take the opportunity to remind that we are expecting to receive a formal request from you for an ENQA coordinated review. In order for us to initiate the review process, we hope to receive a request from you at your earliest convenience, please.

Yours sincerely,

Christoph Grolimund

President
