**Subject: Follow-up report to the 2014 external review report**

Dear Professor Navodnov,

At its meeting on 13-14 February 2017, the ENQA Board considered the follow-up report arising from the external review of NCPA in 2014. The Board acknowledged the improvements made and expressed its satisfaction with the progress that has been achieved. At the same time, the Board would have appreciated a more analytical approach in the report in order to see how the NCPA is reflecting on its challenges and developments.

I would like to take this opportunity to remind you that as the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) were adopted in the Ministerial Conference in May 2015, we expect that all ENQA Members have by now incorporated ESG 2015 into all relevant procedures.

Yours sincerely,

Padraig Walsh  
President of ENQA
