Subject: Follow-up report to the 2015 external review report

Dear Professor Bioltchev,

At its meeting on 28 April 2016, the ENQA Board considered the follow-up report arising from the partial review of NEAA in 2015. The Board acknowledged the progress that has been made.

However, I would like to take this opportunity to remind the agency that areas where clear progress have not been demonstrated will be closely looked at in the next external review. Furthermore, as the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) were adopted by the Ministerial Conference in May 2015, we expect that all ENQA Members have by now incorporated ESG 2015 into all relevant procedures.

Yours sincerely,

Padraig Walsh
President of ENQA
