**Subject: Follow-up report to the 2014 external review report**

Dear Eva,

At its meeting on 19 October 2016, the ENQA Board considered the follow-up report arising from the external review of Unibasq in 2014. The Board acknowledged the progress made and expressed its satisfaction with the improvements achieved.

I also take this opportunity to remind you that as the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) were adopted in the Ministerial Conference in May 2015, we are expecting that all ENQA Members have now taken the ESG 2015 into use in all relevant procedures. Furthermore, issues where recommendations for progress were given in this review will be closely looked at in the next review.

Yours sincerely,

Padraig Walsh  
President of ENQA
