Subject: Follow-up report to the 2014 external review report

Dear Dr. Rigbers,

At its meeting on 13-14 February 2017, the ENQA Board considered the follow-up report arising from the external review of evalag in 2014. The Board acknowledged the improvements made and expressed its satisfaction with the progress that has been achieved.

I would like to take this opportunity to remind you that as the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG 2015) were adopted in the Ministerial Conference in May 2015, we expect that all ENQA Members have by now incorporated ESG 2015 into all relevant procedures. In this regard for evalag, specific attention should be paid to ESG 3.4 Thematic analysis, as this is currently lacking in the agency's activities.

Yours sincerely,

Padraig Walsh
President of ENQA
