

## Coordinated review

## A new approach to define and conduct reviews in higher education

Contract education: an example

Initial meeting

with HEIs and students' unions

Hearing with purchasers

**Data collection** 

from all HEIs regarding quality assurance, rights, effectiveness

- data on contract education
- existing documentation
- short answers to questions

**Discussions** with the HEIs

**In-depth review** of selected HEIs.

Quality assurance

Legal compliance

Effectiveness

Reporting

the findings of the review's various parts.

- system description
- strenghts and shortcomings

Follow-up discussions

Programme evaluation of the estate agent education (regular education and contract education)

## Discussion questions based on the case example:

- 1. What do you consider as benefits and challenges in UKÄ's new approach?
- 2. Do you have any experiences of this kind of broad and coordinated reviews that you would like to share?
- 3. Do you have any ideas or suggestions how to achieve added value when coordinating reviews?
