**Subject: HKCAAVQ follow-up report to the 2021 ENQA review**

Dear Mr Albert Chow,

At its meeting on 21 September 2023, the Board of ENQA considered the follow-up report arising from the external review of the Hong Kong Council for Accreditation of Academic & Vocational Qualifications (HKCAAVQ) in 2021. The Board wishes to use the opportunity to acknowledge the agency's 2-stage action plan to address the panel's recommendations following the external review, especially on the engagement of students in external quality assurance. Furthermore, the agency should be commended for its further work and redefining of the thematic analyses, and the development of quality enhancement activities.

The Board approves the report and takes note of the progress that has been made.

Yours sincerely,
