

COLLABORATION OPPORTUNITIES

Challenge	How can ENQA help?
The national legislation does not enable/support the agency's independence	Engage in discussions with the Ministry (change/adapting of the legislation needed; new law (on QA), e.g., through back-to-back events with the national peer counselling visits)
Legitimacy of the agency's work	Disseminate calls for international experts through ENQA's communication channels
Addressing issues specific to the national context	Provide speakers or suggest other experts to give input to discussions on specific issues (e.g., webinars and events)

COLLABORATION OPPORTUNITIES

Challenge	How can ENQA help?
<p>Low level of information sharing across nations</p>	<p>ENQA website and other communication channels as a platform where information about the events of QA agencies from the WB region can be shared</p>
<p>Little opportunities for peer learning, including from QA agencies already members of ENQA</p>	<p>IMINQA (https://www.enqa.eu/projects/implementation-and-innovation-in-quality-assurance-through-peer-learning-iminqa/)</p> <p>SEQA-ESG2 (https://www.enqa.eu/projects/supporting-european-qa-agencies-in-meeting-the-esg-seqa-esg-ii/)</p> <p>Further opportunities for engagement as part of ENQA General Assembly, Members' Forum...</p>
<p>Room for discussion on working towards ESG compliance</p>	<p>Possible targeted activities for ENQA affiliate agencies</p>
